HOOPER LUNDY BOOKMAN

Hooper, Lundy & Bookman Again Ranked Among Top Health Law Firms In The United States By Chambers USA

News 06.07.24

Hooper, Lundy & Bookman is pleased to announce that the firm has once again been recognized in Chambers USA 2024 as among the best health care firms in the United States, with top-rated lawyers nationally and in California, Massachusetts and Washington, D.C. Chambers USA is a leading legal industry publication that ranks firms based on extensive research, including interviews with clients and members of the legal community.

The firm has been ranked among "The Elite" in national healthcare and as a top healthcare firm in California and Massachusetts. This year, the firm again had more attorneys recognized by Chambers in California than any other law firm. Twelve lawyers are ranked throughout the United States.

Chambers describes the firm as "*a dedicated healthcare firm offering litigation, transactional and regulatory expertise to its extensive provider and supplier client base across the country*."

Clients describe HLB as "*extremely knowledgeable and experienced in handling complex and sophisticated matters*" with a team that "*has an incredibly deep bench of experts that enables them to advise on virtually any issue that arises.*"

Chambers USA has ranked the firm in the following categories:
