

Hooper, Lundy & Bookman is proud to support the American Heart Association's Go Red For Women to support heart health equity, and in the global fight against the COVID-19 pandemic.

News

04.03.20

Heart disease impacts every 1 in 3 women and is the #1 killer of women. The American Heart Association's Go Red for Women is dedicated to empowering women and bringing the community together to rally around heart health.

Hooper, Lundy & Bookman is proud to support the American Heart Association's mission as it works with community collaborators to help those with cardiovascular disease and at risk of stroke and in the global fight against the COVID-19 pandemic.
