HLB Webinar – Hot Topics in GME Reimbursement

Events 07.17.19

Presented by Hooper, Lundy & Bookman attorney David Vernon.

Academic medical centers, teaching hospitals, and any other provider that participates in medical education programs should not miss this date. You are invited to join us on **July 17 at 1:00 PM Eastern/10:00 AM** Pacific for a webinar to learn about hot topics in Graduate Medical Education (GME) Medicare reimbursement.

This webinar will provide a general overview of the Medicare payments for GME and discuss in-depth GME reimbursement topics, which include:

- New CMS rules concerning Affiliated groups
- Medicare rules regarding newly-accredited residency and fellowship programs
- GME funding implications of the *St. Francis v. Azar* case concerning "predicate facts"
- GME related proposals in the FY2020 IPPS Proposed Rule
