

HLB 2019 Medical Staff Update Seminar

Events

03.05.19

HLB 2019 Medical Staff Update Seminar; March 5, 2019 – Oakland; March 12, 2019 – Los Angeles

This interactive seminar will be led by attorneys who specialize in providing sophisticated advice and representation to medical staffs and hospitals regarding complicated medical staff matters, including bylaws and policies, credentialing and peer review, judicial review proceedings and litigation associated with medical staff affairs. The seminar will provide an update on recent legal developments as well as address key issues regularly faced by medical staff leadership and administrators, with an emphasis on providing practical advice to assist with the real-life application of the underlying legal principals.

WHO SHOULD ATTEND

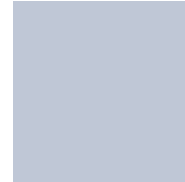

This seminar is appropriate for medical groups, hospitals, and health system Chiefs of Staff, Chief Medical Officers, In-House Counsel, Medical Staff Administrators, and Medical Staff Leadership.
