HLB Webinar – Strategies for Post-Acute Collaboration – Practical Advice for Approaching CMS Alternative Payment Models

Events 05.15.19

Presented by Hooper, Lundy & Bookman lawyers Ben Durie and Stephanie Gross who will be joined by Ken Steele and Dave Wofford of ECG Management Consultants.

This webinar will provide an overview of several CMS payment models including BPCI Advanced and the new Medicare Shared Savings Program – both programs have upcoming summer deadlines for **January 1, 2020** start dates. We will focus on strategies and practical tips for acute and post-acute providers looking for opportunities to use CMS payment models as a way to collaborate in a changing reimbursement landscape centered on value-based care.
