The National Symposium on Health Law and Policy

Events 02.11.19

Event Sponsor: Hooper, Lundy & Bookman

The National Symposium on Health Law and Policy is a one-day conference focusing on the major business, legal, and policy issues impacting health care in the coming year.

Senior-level individuals at hospital and health systems, post-acute and long-term care companies, medical groups and other providers to network all come together to gain access to proprietary research and hear from industry leaders about the latest trends and developments in health care. Click here for additional information about the symposium.
