The Biden Administration – Impact on the Long Term Care Industry

Overview: Changes in the Administration will likely lead to an uptick in enforcement and an increased focus on compliance from the Department of Health and Human Services. CARES Act audits, the American Rescue Plan, Modernizing Regulatory Review reformations, Operation SAFE, stiffer fines, and probes of improper Medicare Part D payments to SNFs are among a few of the initiatives that the industry is experiencing. Join us for an informative update and predictions on what is to come in 2021.
