

Hooper, Lundy & Bookman Again Ranked Among Top Health Law Firms In The United States By Chambers USA

News

06.01.23

Hooper, Lundy & Bookman is pleased to announce that the firm has been recognized again in Chambers USA 2023 among the best health care firms in the United States, with top-rated lawyers nationally and in California, Massachusetts and Washington, D.C. Chambers USA is a leading legal industry publication that ranks firms based on extensive research, including interviews with clients and members of the legal community.

The firm has been ranked among "The Elite" in national healthcare and as a top healthcare firm in California and Massachusetts. This year, the firm again had more attorneys recognized by Chambers in California than any other law firm. Twelve lawyers are ranked throughout the United States, including a new ranking for partner David Schumacher.

Chambers describes the firm as an *"outstanding healthcare boutique, with significant capability acting for both providers and suppliers across a range of complex and cutting-edge matters."*

Clients describe HLB as a *"very strong firm with knowledgeable practitioners and deep experience across the many facets of healthcare"* with a team that *"excels at providing efficient support and practical advice in a complex regulatory environment."*

Chambers USA has ranked the firm in the following categories:
