

Bob Roth Joins Thomson Reuters Practical Law's Health Care & Life Sciences Advisory Board

News

11.09.23

HLB is proud to announce that Bob Roth joined the Advisory Board of Thomson Reuters Practical Law's [Health Care & Life Sciences](#) services for a two-year term beginning on October 1, 2023. Bob Roth's selection to serve on the Advisory Board is a testament to his standing in the legal community and impressive accomplishments in the field of health care. In this advisory capacity, Bob will partner with Practical Law's attorney editors to identify practice trends and analyze cutting-edge legal concepts.

Practical Law is a leading provider of practical know-how for lawyers across the globe and across legal topics. It provides trusted guidance, checklists, and forms that help attorneys practice law effectively, efficiently, and with less risk. Its team of 600+ legal expert editors globally joined the company from some of the top law firms and in-house legal departments before coming to Practical Law to create and maintain timely, reliable, and accurate resources to support the legal practice of its subscribers. Practical Law's [Health Care & Life Sciences](#) services offer know-how content on topics including academic medical centers, clinical trials, fraud, abuse and compliance, health care entity formation and governance, managed care, patient privacy and security, payment and reimbursement, physicians and medical staff, drugs and biologics, food, cosmetics and dietary supplements, medical devices, FDA administration and enforcement, and more.
