LOS ANGELES, October 2, 2024 — We are proud to announce that Hooper, Lundy & Bookman (HLB) has once again achieved [Mansfield Certification for 2023–2024](#).

Mansfield is a year-long, structured certification process that we've committed to since 2022 to ensure all talent at HLB has a fair and equal opportunity to advance into leadership. The focus is on opening the door wider and ensuring that opportunities for advancement are transparent and inclusive for everyone. By asking that at least 30% of our talent pools considered for leadership roles consist of underrepresented groups and that our advancement processes are transparent, Mansfield creates a level playing field for all.

We are proud to stand with the 360+ firms that have achieved Mansfield Certification to advance a core value in the legal profession: the belief that everyone should have a fair opportunity for career advancement. We believe that by making our workplace one where everyone can succeed, we can better serve our clients and communities.
