09.12.25

We are pleased to launch our new Digital Health Blog by announcing that Eric Fish has joined HLB as a partner in our Washington, D.C. office. Eric brings more than a decade of experience at the intersection of AI, digital health, and state and federal regulation, advising health care providers and innovators on navigating complex compliance challenges while preparing for the future of care delivery. To learn more, please see our [full press release](#). Welcome to the firm [Eric!](#)
