

Stephanie Gross and Maydha Vinson Author AHLA's Health Care Fraud Law: A 50 State Survey, Second Edition

News

11.25.25

Stephanie Gross and Maydha Vinson co-authored the California section of the *American Health Law Association (AHLA)'s Health Care Fraud Law: A 50 State Survey, Second Edition*. [Available now for order.](#)

No health care business professional should be without *Health Care Fraud Law: A 50 State Survey*. State health care fraud and abuse prohibitions have far-reaching and substantial impact, affecting contracts with entities ranging from hospitals to individual allied health providers, with additional variations depending on what payers are involved. Fee-splitting, rental arrangements, private equity, and whistleblower protections are all governed at the state level. This new edition is your guide.
