

Scott Kiepen to Present at AHLA

Events

02.17.26

Scott Kiepen will present “Medicare Part B Billing Risks and Opportunities,” on February 23, 2026, for *American Health Law Association (AHLA)’s Long Term and Post-Acute Care Law and Compliance* conference.

Many skilled nursing facilities are unaware of Part B revenue opportunities available. The session will provide an understanding of what services and supplies are billable to Medicare Part B for those nursing home residents not in a Part A stay. The session will primarily focus on:

- Items that may be billed directly by the SNF, DME or other supplier
- Necessary coverage, documentation and billing guidelines
- Reporting and accounting for revenue and expense
- Contractual requirements with outside vendors
- Other hot topics related to Medicare Part B billing
- Provide a framework for managing risks related to contractual relationships, kickbacks, fraud and abuse
