

Ian Tapu To Speak at CAMSS Desert Chapter Annual Legal Conference

[Events](#)

03.11.26

Ian Tapu will present "[Navigating Responsible Use in Social Media & AI Technology](#)," on March 20, 2026, for *California Association of Medical Staff Services (CAMSS)'s 2026 Desert Chapter Annual Legal Conference*.

This session will explore the legal and professional challenges created by social media and technology use within medical staff environments. Attendees will learn how online behavior, digital communication, and emerging technologies affect compliance, privacy, and organizational risk. The session will highlight best practices for maintaining professionalism and protecting patient information in an evolving digital landscape.

Learning Objectives:

- Describe the legal and professional risks associated with social media and technology use by medical staff, and MSPs.
- Identify behaviors and scenarios that may violate organizational policies or privacy regulations.
- Apply practical strategies to support responsible and compliant use of digital platforms.
