

CMS Issues RFI on Proposed Changes to CRUSH

Fraud & Abuse

05.13.26

On Feb. 27, CMS [published](#) an RFI soliciting public input on potential regulatory changes that could be part of a potential forthcoming Comprehensive Regulations to Uncover Suspicious Healthcare (CRUSH) proposed rule, as well as other programmatic changes that could be implemented to make CMS more effective in eliminating fraud. Comments were due to CMS by March 30.
