

# 2026 Boston Globe Health Equity Summit

Health Equity

05.21.26

*The Boston Globe* sponsored the [Health Equity Summit](#), held on May 13 at Harvard University. The summit gathered health and life sciences ecosystem leaders, medical experts, community advocates, and journalists to engage in crucial conversations focused on resolving health disparities and fostering more inclusive health care. Replays of the day's events are available for viewing [here](#).
